

Working Together Better Update

4 December 2009

Inspection is over!

Over the past ten days a team of Ofsted inspectors has been based in Merrion House carrying out an announced inspection of safeguarding and Looked After Children's services.

During this time they have had over 100 meetings and have met with over 80 children and young people, 25 parents and carers and representatives from a wide range of services across the city. The inspection team commented on your enthusiasm and appreciated your open and honest approach.

Thank you to everyone for all your hard work and for showing the inspection team all the good things we do for the children and young people of Leeds.

The journey does not end here though: the final report will be published on the Ofsted website on 7 January 2010. In the meantime we will keep you updated about the ongoing activity and your role in it over the coming weeks and months.
